

Additional support for fewer opportunities' participants

Long-term mobilities for students will be funded with an extra quantity of 250€/month if they meet any of the following requirements:

Disability:

- Have a legally recognized and qualified disability of a degree equal to or greater than 33 percent, or an equivalent degree of disability, in the case of foreign students

Socio-economic obstacles:

- Being at risk of social exclusion.
- Belonging to a numerous or single-parent family.
- Finding yourself in a situation of special need and social emergency.
- Being a victim of terrorism, gender violence or being an orphan.
- Finding yourself in a situation of dependency or with dependents in your care.
- Have a full-time employment contract.

Health issues

- Suffering from physical or mental problems that generate the need for additional support.

Cultural differences

- Have refugee status or the right to subsidiary protection or have submitted an application for international protection in Spain, or in another country, in the case of incoming participants.
